Centralized Intake provides a single point of entry for all services in the WRHA Child and Adolescent Mental Health Service. This service enables clients and families to access the appropriate programs and services based on the individual needs of the client and their family. Referrals for services can be made by families, caregivers, self-referrals, physicians, mental health professionals and other service providers.

Referrals are accepted by telephone 204-958-9660 or by fax at 204-958-9626.

Fax: 204-958-9626  
TTY: 204-958-9685

Youth Addictions is a Provincial service that offers information and support to parents regarding the Youth Drug Stabilization (Support for Parents) Act. It serves to provide information to youth, their families and allied professionals regarding addiction services for youth in Manitoba.

The service is designed to assist Manitobans in navigating the continuum of youth addiction services and identifying an appropriate program by calling 1-877-710-3999 to connect with an addictions counselor who can help individuals find a suitable program in the community.
