

# Everybody in School Every Day

Supporting Regular Daily Attendance

## *Did you know?*

- ◆ Daily attendance is important for all students. Students who attend school regularly are more engaged in learning, have a greater sense of belonging in their communities, and are more likely to graduate.

## *What can you do?*

- ◆ Talk to your kids about the importance of attendance, starting at an early age
- ◆ Communicate regularly with the school to find ways to work together to address concerns
- ◆ Participate in school events and activities to demonstrate your support for school and education

## **Attendance Matters!**

Make it your goal to get your child to attend school every day.
